

Introduction & Supply List

The Free Pattern has specific colors listed as an example. Of course use your own colors and trims. The mini ric rac can be replaced with trims or a decorative stitch.

The coasters are ideal for Summer when the glasses have condensation. Your tables will be protected from hot beverages in the Winter. Friends, Family and Co-workers will be impressed with the beautiful handmade coasters.

The pattern is free - **if you would like to purchase the Coaster Kits - they are available in 5 Colors: Blue, Calypso, Neutral, Lemon-Lime and Pink.** Like to keep your hands busy while traveling - these kits are ideal for travel. Instead of Spray Adhesive a fabric glue to hold the pieces in place while stitching. Just a Little bit will work.
